MISSION STATEMENT

At Holston Academy, we cultivate future-ready students within small learning communities, where each student is known, valued, and supported. Our mission is to provide a transformative educational experience that equips our students with the knowledge, skills, and abilities necessary to excel in an ever-changing world.

ABOUT THE SCHOOL

Founded in 2020 as Stanza International Academy and renamed as Holston Academy in 2024, Holston Academy is an online nonprofit, grades 6-12 Stanza Education Corporation School, accredited by WASC and Cognia. As part of a network of personalized, small learning communities, our mission is to provide an educational experience that equips our students with the knowledge, skills, and abilities necessary to excel in an ever-changing world. We see ourselves not only as an online school, but as a community dedicated to nurturing independent thinking, fostering a lifelong love for learning, and shaping responsible global citizens.

CURRICULUM *(No. of courses)*

Holston Academy offers **more than 300 courses** in our course catalog, ranging from middle school, college prep, honors, Advanced Placement, and Dual Enrollment courses. Many of our courses are also approved by the University of California (UC), the National Collegiate Athletic Association (NCAA), and the College Board. Students may enroll full-time or opt to only take one or two courses from our course catalog throughout the school year or take advantage of our accelerated summer courses offered in 6 week sessions. As an accredited school through Cognia and WASC, students will receive official diplomas, transcripts, and credits for courses taken through Holston Academy.

DUAL ENROLLMENT

Students at Holston Academy have the opportunity to participate in dual enrollment courses through a partnership with Arizona State University's Universal Learner Courses (ULC) program; allowing eligible high school students to earn both high school and college credit.

ADVANCED COURSES

For high-achieving students, Holston Academy offers a diverse array of honors courses. These courses fulfill essential graduation requirements in English, History, Math, and Science and cultivate a more challenging academic environment, fostering intellectual growth and academic achievement.

ADVANCED PLACEMENT® COURSES

Students can select from a wide range of Advanced Placement® courses, allowing them to get ahead by earning college credits in high school. Our robust AP® course selection includes core courses, electives, and world languages. When you sign up for any of our AP® courses, we include access to Shmoop's AP® Test Prep, an online resource that offers diagnostic exams, reviews, drills, and practice tests to help students excel in courses and prepare for the AP® exam.
